About us?

Contact us

ICUERIOUS is an intellectual property (IP) consulting firm providing full-service technology support for the entire stage of the IP process, with a focus on patents. We work closely with a diverse set of clients, including Fortune 500 companies, premier IP law firms, patent monetization and brokerage firms, independent inventors, and universities and focus on creating valuable IP ecosystems and patent monetization strategies via litigation and/or licensing. Our main services include prior art and invalidation searches, target scouting, evidence-of-use charting and detailed infringement analyses, patent drafting, open-source and proprietary source code review, competitor benchmarking and business/IP intelligence, technology landscaping and whitespace analysis reports, patent monitoring and market research.
